

Tuesday Network Pass Registration Process

In an internet browser, navigate to <https://www.capannualmeeting.org/>. Click on the blue “Register Now” button in the top right corner. On the next page you will use the “Attendee Registration and Housing” form. Starting with the “Registration” page you are required to add your Last Name and either CAP Member Number or Email. If you are not affiliated with CAP add your Email.

If you are not a member, no CAP membership will be found. Click “Continue as Nonmember”

Are you a CAP member?

No record was found to match the information entered. If you are a CAP member, please confirm your CAP member number or your e-mail address associated with your CAP membership and click Search to try again. Please call CAP at 1-800-323-4040, option 2 for membership assistance. Participation in the CAP’s Surveys proficiency testing program or the CAP’s accreditation programs does not constitute CAP membership.

If you are a Nonmember please use the Continue as Nonmember button below to begin the registration process.

NONMEMBER

Welcome! We do not have a record that indicates you are a current CAP Member. If you are receiving this message in error please call CAP at 1-800-323-4040, option 2. **CAP members receive a significant discount on registration rates. By selecting the "Nonmember pathologist applying for CAP membership" or "Nonmember resident pathologist applying for CAP Junior membership" option now you will receive the member rate.** You will need to complete your CAP MEMBERSHIP application prior to CAP19 to guarantee the member rate.
