Get to Know the App:

Tutorials: When you first log into the app you'll be greeted by the app tutorial. Click through the different helpful tips for information about navigating the app. You can access this app tutorial at any time by clicking the gear icon at the top of the dashboard & selecting Reset App Tutorials.

Complete Your Profile: Click the "My Profile" icon at the bottom of the dashboard or the gear icon at the top of the dashboard and select "My Profile" to complete your app profile.

Your name, email and industry are required to save your profile.

Don't forget to select if you would like to publish your profile to the attendee list. (If you choose to publish only your name and industry will be visible to anyone other than your friends.)

Personalizing Your Experience: Create your personalized My Favorites list by clicking the star for each specific entry. If a record has been starred, this will add it to your My Favorites list, easily accessed from the dashboard. This will include events, exhibitors and more.

Navigating the Schedule: The schedule of events is sorted by date and then time within the day. Click the different days at the top of the schedule to navigate between event dates. Click into any session to see more information and details about the session along with information about the session's presenters.

Finding Your Way Around: Click the Maps icon on the dashboard to see property maps uploaded for the venue.
